# YOUR TRUTH-IN-SAVINGS DISCLOSURE

To open your account, complete the appropriate account card and return it to our Member Service Specialist. Please read this brochure completely and retain it with your personal records.

All agreements and disclosures shall be construed in accordance with the provisions of the California Uniform Commercial Code (UCC). Share "savings" accounts, share draft "checking" accounts and share "certificate" accounts are subject to the requirements below and such other terms and conditions as established by the Board of Directors and as contained in the account agreements.

## INFORMATION REGARDING MEMBER IDENTIFICATION

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for our Members: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying objects.

## GENERAL INFORMATION ABOUT ALL OF OUR ACCOUNTS

### PAR VALUE

The par value of a share in the Gain Federal Credit Union is \$5.

### ACCRUAL OF DIVIDENDS

Dividends begin to accrue on the business day you deposit non-cash items (e.g., checks) to your account if deposited before close of business.

### DIVIDEND RATES

The initial dividend rate and Annual Percentage Yield on our savings, checking and certificate accounts are stated on the Deposit and Investment Rates Brochure accompanying this Disclosure. Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period.

### BALANCE INFORMATION

We compute the balance in our savings, checking and certificate accounts to determine the dividends you will be paid by using the daily balance method which applies a daily periodic rate to the balance in your account each day.

### BYLAW REQUIREMENTS

The maximum amount of shares which may be held by any one member shall be established from time to time by resolution of the Board.

A member who fails to complete payment of one share within 30 days of his admission to membership, or within 90 days from the increase in the par value in shares, or a member who reduces his share balance below the par value of one share and does not increase the balance to at least the par value of one share within 30 days of the reduction may be terminated from membership at the end of a dividend period.

Shares may be transferred only from one member to another, by written instrument in such form as the Credit Union may prescribe. The Credit Union reserves the right, at any time, to require members to give, in writing, not less than 7 days and not more than 60 days' notice of intention to withdraw the whole or any part of the amounts so paid in by them.

No member may withdraw shareholdings that are pledged as required for security on loans without the written approval of the loan officer, except to the extent that such shares exceed the member's total primary and contingent liability to the Credit Union. No member may withdraw any shareholdings below the amount of his/her primary or contingent liability to the Credit Union if he/she is delinquent as a borrower, or if borrowers for whom he/she is comaker, endorser, or guarantor are delinquent, without the written consent of the loan officer.

### DIVIDEND COMPOUNDING AND CREDITING

Dividends will be compounded monthly and will be credited monthly. For our Savings, Checking, and Certificate Accounts the dividend period is monthly. For example, the beginning date of the first dividend period of the calendar year is January 1 and the ending date is January 31. All other dividend periods follow this same pattern of dates. The dividend declaration date follows the ending date of a dividend period. The most recent dividend declaration date is reflected on the accompanying Deposit and Investment Rates Brochure.

## FUNDS AVAILABILITY POLICY

The Credit Union is regulated by the Federal Reserve Board regulations for making deposited funds to your account available to you. Although our policy, as your member owned Credit Union, is to make funds as readily available to you as possible, adherence to Federal regulations may, under certain circumstances, delay the availability of funds that you deposit into your account.

Delayed Funds or Hold on Funds means that: You may not withdraw the delayed available funds in cash. We may not use the delayed available funds to pay checks you have written.

Our policy is to make funds from your deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before close of business on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after close of business or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

### LONGER DELAYS MAY APPLY

In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. However, the first \$225 of your deposits will be available on the first business day.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,525 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the 5th business day after the day of your deposit.

### SPECIAL RULES FOR NEW ACCOUNTS

If you are a new member, the following special rules will apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,525 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,525 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,525 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the 11th business day after the day of your deposit.

## **DEPOSITS AT AUTOMATED TELLER MACHINES**

Funds from any deposits (cash or checks) made at automated teller machines (ATM's) we do not own or operate may not be available until the fifth business day after the day of your deposit. This rule does not apply at ATM's that we own or operate. All ATM's that we own or operate are identified as our machines.

## **UNCLAIMED PROPERTY LAW – CALIFORNIA**

In accordance with California's Unclaimed Property Law, C.C.P. §1500, et seq., any funds held by the Credit Union (including, without limitation, funds in a savings, checking, certificate, or other account, sums for the payment of cashier's checks, teller's checks, etc.) may be transferred to the Unclaimed Property Division of the California State Controller's Office if no activity occurs in the account within the time period specified by state law.

## **DENIAL OF SERVICES**

### **I. PURPOSE**

The privilege of Credit Union services available to members must be reserved for members who are in "good standing" with the Credit Union. This Policy provides examples of certain actions that would cause a member to become "not in good standing" and provides guidelines to the types of transactions to which the availability would be restricted to such a member. This Policy will extend to any person "not in good standing" who seeks member services whether directly or indirectly through a Credit Union account with another person.

### **II. DEFINITION**

A member will not be considered to be "in good standing" with the Credit Union if:

- A. The member fails to comply with the terms and conditions of any lawful obligation with the Credit Union and causes the Credit Union to suffer a pecuniary loss;
- B. The member manipulates or otherwise abuses Credit Union products or services to the detriment of the Credit Union or its membership; or
- C. The member engages in threatening, abusive, disruptive, obscene, harassing, or illegal behavior in any line of Credit Union business; or
- D. The member intentionally injures any person or damages any property while on Credit Union premises or at any Credit Union function.

The determination of whether a member is "in good standing" with the Credit Union will be made at the sole discretion of Senior Management.

"Member services" are defined as any products or services now or hereafter provided by or sponsored by the Credit Union, or otherwise made available to Credit Union members. Member services include, but are not limited to:

- A. Loans;
- B. Deposit Accounts;
- C. Checking;
- D. ATM/Debit Card Services;
- E. EFT Services;
- F. Notary Services;
- G. Online and Telephone Banking Services

### **III. POLICY**

The availability of member services for members who are not in good standing with the Credit Union may be restricted.

Any member whose access to member services is limited pursuant to the foregoing will be permitted to maintain a dividend bearing share account and will be permitted to vote at annual meetings and special meetings subject to the bylaws and policies of the Credit Union.

Member account balances that are brought to zero through actions taken by the Credit Union, (reduced by fees, offset of charge off, inactive account fees) etc. will be allowed a period of not less than 30 days to re-establish a par value share in order to maintain their membership rights and the ability to maintain membership. In some instances, these accounts will be maintained with no other member privileges other than the right to a share account, the right to earn interest if minimum balance requirements are met, and the right to vote at annual and special meetings.

In the event that the member has limited access to member services due to threatening, abusive, obscene, harassing, or illegal behavior or for injuring any person or damaging any property while on Credit Union premises, the Credit Union's senior management, at their sole discretion may limit further contact with the Credit Union to written communication through the U.S. mail only or via other remote access device(s) designated by Senior Management. Legal action may also be taken.

This limitation will not prohibit a member from exercising his or her rights under federal or state law or regulation.

## Savings Account Agreement

### TRANSFERS TO THIRD PARTIES

No more than six preauthorized, automatic, online or telephonic transfers made to another account at the Credit Union or to a third party or no more than six transfers or withdrawals made by check, draft, debit card or similar order payable to a third party may be made from each savings account or money market deposit account in any calendar month. If an Account Holder exceeds, or attempts to exceed, these transfer limits, the excess transfer requests may be refused or reversed, a fee may be imposed on the excess transfer requests, and the Credit Union may reclassify or close the account. Transfers initiated by telephone must be counted among the six monthly transfers, except that there are no limits on the number of withdrawals paid directly to an Account Holder when initiated by mail, telephone or messenger. There are no limits on the number of withdrawals if initiated in person.

### WITHDRAWALS, PRIOR NOTICE REQUIREMENT

The Credit Union reserves the right to require prior written notice of intention to withdraw all or any part of shares not to exceed the notice requirement as set forth in the Credit Union's bylaws.

## Checking Account Agreement

### WITHDRAWALS, APPROVED METHODS

Only check blanks and other methods approved by the Credit Union may be used to withdraw funds from a checking account.

### ELECTRONIC CHECK CONVERSION

Upon prior notification from the merchant to the Account Holder, a purchase made with a check can be converted to a one-time electronic fund transfer (EFT) if authorized by the Account Holder. The Account Holder may also authorize merchants to electronically debit the account for returned check fees. It is agreed that the Account Holder authorizes the electronic funds transfers if the transaction is completed after being told (orally or by a notice posted) that the transfer may be processed electronically or if the Account Holder signs a written authorization.

### DEMAND DRAFTS

The Credit Union may pay and charge to the applicable checking account, checks drawn by and payable to any person, organization, association or corporation that has been authorized by an Account Holder to be paid, by the provision of MICR encoded information on the account. It is agreed that the Credit Union's rights in respect to such checks shall be the same as if it were a check drawn and signed by an Account Holder(s) personally. This authority shall remain in effect until revoked by an Account Holder in writing. It is agreed that the Credit Union shall be fully protected in honoring such checks. It is further agreed that if any such check is dishonored, whether with or without cause, and whether intentionally or inadvertently, the Credit Union shall incur no liability whatsoever, even though such dishonor results in the forfeit of insurance, loss or damage of any kind.

### OVERDRAFTS

The Credit Union is under no obligation to pay a check which exceeds the available balance in an account; the Credit Union may, however, pay such a check and recover or obtain a refund of the amount of the resulting overdraft plus a service charge from any of the Account Holders of this account, each of whom expressly agrees that each Account Holder is jointly and severally liable for any and all overdrafts of this account and any and all associated costs created by any Account Holder.

**NOTICE REGARDING NSF FEES:** When an item is returned unpaid due to insufficient available funds [and not covered by the Courtesy Pay Program,] you will be charged a Non-Sufficient Funds (NSF) fee, as stated in the Credit Union's Fee Schedule. If multiple items are returned unpaid due to insufficient available funds on the same day, you will be charged an NSF fee for each returned item. The same item may be presented for payment more than once, and you will be charged an NSF fee each time that item is presented and returned due to insufficient available funds.

**Order of Posting:** The order in which items are paid is important if there is not enough money in your account to pay all of the items that are presented. We will pay checks, automated debits (ACH), Debit Card transactions, ATM withdrawals and point-of-sale transactions in the order presented to the Credit Union. Multiple checks presented for payment on the same day will be paid in check number order. For ACH transactions, deposits are posted first then debits are posted by settlement date, then lowest to highest amount. For ATM Card and Debit Card transactions, items are posted in the order received. You understand that the order in which items are processed can affect the total amount of fees that may be assessed against your account. The Credit Union reserves the right to adjust the above processing times in its sole discretion.

**Actual and Available Balances:** It is also important that you understand the difference between your "actual balance" and your "available balance" in order to properly manage the money in your account and avoid overdraft and insufficient fund fees. Your "actual balance" is the beginning of the day balance after the prior evening's posting. This balance is changed at the close of business every day and stands as is until the close of business on the following day. Your "available balance" is the amount you have in your account at a particular time that is available for immediate withdrawal. Your available balance is updated throughout the day to reflect holds, pending transactions and cleared deposits. The difference between your actual balance and your available balance is the result of pending activity that has not yet posted to the account (example, any "pending" deposits, checks, transfers and withdrawals or holds on your account). We will use the "available balance" in your account to determine if you have sufficient funds to cover your transactions. You can determine your available balance at the ATM, by phone or by accessing your account online or with mobile banking.

You understand that you may be overdrawn even when your actual balance is positive. You also understand that you may still overdraw your account even though the available balance appears to show there are sufficient funds to cover a transaction that you wish to make because your available balance will not reflect all your outstanding checks, automatic bill payments or recent deposits. In addition, your available balance will not reflect all of your debit card transactions. For example, if a merchant obtains your prior authorization but does not submit a one-time debit card transaction for payment within three (3) business days of authorization (or for up to thirty (30) business days for certain types of debit card transactions), we are required to release the authorization hold on the transaction. The available balance will not reflect this transaction once the hold has been released until the transaction has been received by us and paid from your account. We do not determine and are not responsible for any hold amounts placed by merchants. We encourage you discuss such holds with merchants to determine how much the merchant may place on hold. You must also keep careful records and practice good account management to avoid making transactions without sufficient funds available for withdrawal. For additional details on the availability of your funds for withdrawal, see the section entitled "Funds Availability Policy." If you have additional questions about your available or actual balance, please see a branch representative or call (800) 622-3328.

Example 1: If you write a check for \$25 but it has not yet cleared your account, your available balance will be \$25 less than what is reflected by your actual balance.

Example 2: If you authorize a debit card transaction for \$30 but it has not yet posted to your account, your available balance will be \$30 less than what is reflected by your actual balance.

Example 3: The following transactions are not reflected in your available balance:

- Any checks you have written that have not yet been presented for payment.
- Any automatic bill payments you have scheduled that have not yet been sent.
- Any debit card transactions where the authorization hold has been released but the transaction has not yet been submitted to the Credit Union.

### **STALE-DATED CHECKS**

The Credit Union is under no obligation but may pay a check which is presented more than six (6) months after it is dated. The Credit Union may assess a special handling charge upon receipt of any such item in addition to a service charge upon the account in accordance with the fee schedules adopted by the Credit Union and as amended from time to time.

### **STOP PAYMENTS**

Any Account Holder(s) of this account may stop payment of any item drawn against the account. The Stop Payment Order must describe the item with reasonable certainty and must be received in such time and manner as to afford the Credit Union a reasonable opportunity to act upon it. A Stop Payment Order is effective for six (6) months, but it lapses after 14 calendar days if the original order was oral and was not confirmed in writing within that 14 day period. The Stop Payment Order may be renewed in writing for an additional six (6) month period.

### **TRUNCATION OF DRAFTS**

The Account Holder(s) acknowledges that checks are truncated and hereby waives any and all rights to receive the items without prejudice to any of the Credit Union's defenses available under the California Uniform Commercial Code (UCC).

### **LIABILITY OF CREDIT UNION**

Except for its own lack of good faith or failure to exercise ordinary care, the Credit Union is not liable for any action it takes regarding the payment or nonpayment of a check, even if nonpayment results in the forfeit of insurance, loss or damage of any kind.

### **CLOSURE OF ACCOUNT**

The Credit Union may close a checking account at any time. Closure of a checking account will not affect the obligation to pay any outstanding balances or charges owed.

### **FOR CHECKING ACCOUNTS WITH SAVINGS OVERDRAFT PROTECTION**

If any Account Holder(s) writes a check that would result in this Checking Account being overdrawn, the Credit Union is authorized to charge the designated savings account(s), regardless of which party signed the item, in such multiples as determined by the Credit Union sufficient to permit the Credit Union to honor the check and to credit such charge to this Checking Account. No check overdraft may be paid by charging a savings account if, as a result of such charge, that savings account would be subject in any one month to more than six pre-authorized, automatic or telephonic transfers.

### **FOR CHECKING ACCOUNTS WITH LOAN OVERDRAFT PROTECTION**

If any Account Holder(s) writes a check which would result in this Checking Account being overdrawn, and if at that time any Account Holder(s) is eligible to receive loan advances from this Credit Union on a loan designated on the Overdraft Agreement, the Credit Union is authorized to make an advance from the designated loan account, and to credit the advance to this Checking Account in such multiples as determined by the Credit Union sufficient to permit the Credit Union to honor such check and any associated fees.

## Certificate Account Agreement

### PLEDGING OF FUNDS

Certificates may not be pledged, transferred, or assigned to any party other than the Credit Union unless otherwise provided by statute. Savings invested for an Individual Retirement Account (IRA) or Keogh Plan may not be pledged as security for any loan. The Credit Union reserves the right to offset this certificate except as otherwise precluded by law. If the Credit Union offsets funds from this certificate, the funds withdrawn are subject to the early withdrawal penalty.

### COURTESY PAY PROGRAM

The Credit Union recognizes that sometimes you may overdraw your checking account. In such cases the Credit Union may decide to honor transactions for which there are insufficient funds under the Credit Union's Courtesy Pay Program "Courtesy Pay". The Credit Union offers the Courtesy Pay Program as a service to qualifying members.

### QUALIFICATIONS

To be eligible for the Courtesy Pay Program, the member must meet all of the following criteria:

- Checking account must be open for a minimum of forty-five (45) days;
- Must be 18 years of age or older;
- Must have paychecks or other recurring payments totaling at least \$500 directly deposited into the checking account each month.

The Credit Union may, in its discretion, waive these requirements on a case by case basis.

### DESCRIPTION OF SERVICE

The Credit Union may, in its discretion, honor overdrafts, including checks, automated debits (ACH), point-of-sale (POS) transactions, and everyday debit card transactions, even when you have insufficient funds in your account. We do not honor overdrafts for ATM transactions.

### COURTESY PAY FEES

We pay overdrafts at our discretion and we do not guarantee that we will always authorize and pay any type of transaction, even if you opt-in. If we do not authorize and pay an overdraft, your transaction will be declined. When an overdraft is covered, the account will be taken negative by the dollar amount of the overdraft plus the amount of the applicable Courtesy Pay Fee as stated on the Fee Schedule. If we honor multiple overdrafts we may honor them in any order at the Credit Union's option or return any such items. The Courtesy Pay Program Fee is a flat fee charged regardless of the amount by which the account is overdrawn and will be charged for each overdraft item presented and paid by the Credit Union. The Credit Union will send you a notice for each item covered by Courtesy Pay. There is no limit on the total fees we can charge you for overdrawing your account. We do not charge a Courtesy Pay Fee for overdrafts on everyday debit card transactions.

### COURTESY PAY LIMITS

The Courtesy Pay limits are:

- \$500, if you have paychecks or other recurring payments directly deposited into the account each month totaling of at least \$500, up to \$999.
- \$1,000, if you have paychecks or other recurring payments directly deposited into the account each month totaling of at least \$1,000.

### ADDITIONAL INFORMATION

When the Credit Union honors overdraft items, you must deposit funds immediately, but in no case more than forty-five (45) days from the date of the notice sent to you. If you fail to cover the total overdraft amount plus applicable fees within forty-five (45) days, the Credit Union may pursue all collection options available to it. The Credit Union may, but is not obligated to, transfer funds from your other accounts with us to cover the overdraft and/or fees.

The Courtesy Pay Program is a discretionary benefit offered to members and not a right of membership. The Credit Union encourages you to properly maintain your accounts with us. The Credit Union is not liable for either paying or refusing to pay any overdraft item. The Credit Union reserves the right to discontinue this service at any time with or without advance notice.

## A. ELECTRONIC FUNDS TRANSFER DISCLOSURE AND AGREEMENT

Disclosure information that applies to the following electronic services: ACH, ATM/POS, Telephone Banking, Mastercard Debit Card, Online Banking, Online Bill Pay, Mobile Banking and Fund Transfers are given below, followed by specific disclosure information for each service. Gain Federal Credit Union may also provide remittance transfers (defined by Regulation E, subpart B, as an "electronic transfer of funds of more than \$15 which is requested by a sender and sent to a designated recipient in a foreign country by a remittance transfer provider"). The terms and conditions for such electronic transfers will be disclosed to you separately when you receive those services, and may differ from the terms and conditions disclosed herein. As applicable and to the extent not in conflict with such separately provided disclosures, the terms and conditions herein shall apply to remittance transfers that also meet the definition of an "electronic fund transfer" under Regulation E, subpart A. This Disclosure and Agreement takes the place of all prior agreements and disclosures governing the use of all electronic services.

### PERSONAL IDENTIFICATION NUMBER

The Credit Union will generally issue you a Personal Identification Number (PIN) that must be used with the ATM/Debit Card for transactions that require the use of a PIN. This number is secure and should be memorized. DO NOT write it on your ATM/Debit Card or disclose it where it can be readily accessible. After memorizing your PIN, you should destroy the notice disclosing your PIN in a secure manner. If you forget your PIN, misplace or otherwise disclose your PIN, contact the Credit Union for instructions on how to obtain a new PIN.

### RIGHT TO RECEIVE DOCUMENTATION OF TRANSACTIONS

You will get a monthly account statement reflecting all of your transactions unless there is no activity in a particular month. In any case you will get the statement at least quarterly. Depending on the terminal, or if the transaction is \$15 or less, you may receive a receipt at the time you make a transaction at a terminal. If you do receive a receipt, retain the receipt to compare with your monthly statement from the Credit Union.

### YOUR LIABILITY FOR LOST, STOLEN OR UNAUTHORIZED TRANSACTIONS INVOLVING AUTOMATED TELLER MACHINE (ATM) CARDS

Tell us AT ONCE if you believe your ATM/POS Card and/or Personal Identification Number (PIN) has been lost or stolen, or if you believe that an electronic transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit if you have one with us). If you tell us within two (2) business days, you can lose no more than \$50 if someone used your ATM/POS Card or PIN without your permission. If you DO NOT tell us within two (2) business days after you learn of the loss or theft of your ATM/POS Card or PIN, and we can prove that we could have stopped someone from using your ATM/POS Card or PIN without your permission if you had told us, you could lose as much as \$500. Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods. If you have authorized someone else to use the ATM/POS Card and/or PIN, you are responsible for all transactions that person or persons initiates at any time, even if the amount or transactions exceed what you may have authorized.

### YOUR LIABILITY FOR LOST, STOLEN OR UNAUTHORIZED TRANSACTIONS INVOLVING MASTERCARD DEBIT CARDS

Tell us AT ONCE if you believe your Mastercard Debit Card and/or Personal Identification Number (PIN) has been lost or stolen or if your statement shows an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit if you have one with us). If you tell us within 60 days of our sending your statement, you can lose no more than \$50 if someone used your debit card without your permission. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the close of the 60 days and before notice to us. If your delay in notifying us was due to extenuating circumstances beyond your reasonable control, including extended travel, your or a member of your family's death or serious illness, hospitalization, permanent mental impairment or serious physical impairment, unless the circumstance did not reasonably contribute to your delay in notifying us within the 60-day period, we will extend the 60-day period by a reasonable period.

### SPECIAL NOTICE TO MASTERCARD DEBIT CARDHOLDERS

If there is an unauthorized use of your Mastercard Debit Card then your liability will be zero (\$0.00) so long as you have exercised reasonable care in safeguarding your card from risk of loss or theft and upon becoming aware, you have promptly reported the loss or theft to the Credit Union.

If you cannot meet these requirements then your liability with respect to unauthorized transactions may be greater than the above zero (\$0.00) liability limit, to the extent allowed under applicable law. In any case, to minimize your potential liability you should notify us promptly of any unauthorized use, but no later than sixty (60) days after your statement was mailed to you. This provision limiting your liability does not apply to Mastercard branded cards issued to entities that are not natural persons, or issued for a commercial purpose unless the card is issued for a "small business" program as described on Mastercard's website, or issued until the person's identification is registered by or on behalf of the card issuer in connection with such issuance and/or sale which registration may include customer identification program requirements. If applicable law imposes a greater liability or a conflicting obligation, such applicable law shall govern.

All ATM/POS Card transactions are subject to the terms and conditions of your account agreements with us governing the affected accounts.

## MASTERCARD CROSS-BORDER TRANSACTIONS

Purchases and cash advances made in foreign currencies will be billed to you in U.S. dollars. If a Cross-Border Transaction on a U.S.-issued credit or debit card is submitted to Mastercard in the currency of the country of the merchant, Mastercard will convert the transaction to the cardholder billing currency using its currency conversion procedure. Mastercard uses either a government mandated exchange rate, or a wholesale exchange rate selected by Mastercard. The government-mandated exchange rate or wholesale exchange rate Mastercard uses for a particular transaction is the rate Mastercard selects for the applicable currency on the day the transaction is processed, which may differ from that applicable to the date the transaction occurred or when it is posted to your account. Added to your Cross-Border Transaction are a Mastercard Issuer Cross-border Assessment of nine-tenths of one percent (.9%) and Currency Conversion Assessment of two-tenths of one percent (.2%). Cross-Border Transactions include transactions initiated in the U.S. authorizing access to a debit card, credit card or deposit account number using a telephone, computer or mobile device application but with a merchant who processes the transaction in a foreign country.

## ATM SAFETY

An ATM provides a quick and convenient way to access your money. However, use caution and remember the following safety tips whenever you use an ATM:

- Be aware of the surroundings, particularly at night.
- Look for well-lighted ATM's when transacting at night.
- If you notice anything suspicious when approaching the ATM, return later or use another ATM.
- Have your transaction ready before you go to the ATM. When you can, fill out any deposit or withdrawal slips/envelopes before leaving your vehicle.
- Have your ATM Card or Debit Card ready, to avoid going through your purse or searching through the contents of your wallet at the ATM site.
- If you notice anything suspicious while you are transacting business, immediately stop your transaction, put your ATM Card away and leave.
- Consider having another person accompany you to the ATM.
- Immediately report all crimes to the ATM operator and to local law enforcement officials.
- Stand close to the ATM and away from others in line to avoid detection of your PIN or other account information.
- Put your cash away as soon as the transaction is complete; count the cash later in the safety of your vehicle or home.
- Never give information to strangers at the ATM or to anyone over the phone. Be aware of fraud or people who pose as Credit Union employees who try to get information from you. This information should only be discussed in person by you at the Credit Union.
- Remember to keep your PIN a secret. Make sure not to write it on your ATM Card, Debit Card or anywhere else in your wallet; thieves can easily figure out the reason for "hidden" or "secret" numbers.

Mastercard is a registered trademark, and the circles design is a trademark of Mastercard International Incorporated.

### RESPONSIBILITY FOR TRANSACTIONS

You are responsible for all transactions you make with the Card or that you authorize another person to make with the Card. You understand that if you disclose your Debit Card PIN to anyone, they will have access to all accounts identified by your account number. If the Account is a joint account, all transactions involving the account are binding on all Account holders.

### MERCHANT DISPUTES

For POS transactions directly accessing a line of credit, the credit union is not responsible for the refusal of any merchant or financial institution to honor the card. The credit union is subject to claims and defenses (other than tort claims) arising out of goods or services you purchase with the card if you have made a good faith attempt but have been unable to obtain satisfaction from the merchant or service provider and (a) your purchase was made in response to an advertisement the credit union sent or participated in sending to you or (b) your purchase cost more than \$50 and was made in your state or within 100 miles of your home.

### LIMITATIONS ON DOLLAR AMOUNTS AND FREQUENCY OF TRANSACTIONS

Purchases made above the floor limit of the merchant will require an authorization number from Mastercard. You may make Mastercard Debit Card transactions up to \$5,000 each calendar day as long as your available balance will cover the transaction.

### USE OF THE CARD

- Make automatic payments from your checking account to pay bills or other charges, providing that the person or organization that you are paying agrees to accept payments this way.

Some of these services may not be available at all terminals.

Use of the card, the account number on the card, the PIN or any combination of the three for payments, purchases, or to obtain cash from merchants, financial institutions or others who honor Mastercard Debit Cards is an order by you for the withdrawal of the amount of the transaction from your account. Each transaction with the card will be charged to your account on the date the transaction is posted to your account. When the Credit Union receives notification of a Mastercard Debit Card transaction, it will put a hold on an equivalent amount of funds in your share draft/checking account for 3 days or until the day the transaction is charged to your account.

All card transactions covered by this agreement are subject to the terms and conditions of your account agreements with us governing the affected accounts, except as modified by this agreement. Any future changes to your account agreements may affect the use of the card.

## ILLEGAL USE OF MASTERCARD DEBIT CARD

You agree that your Mastercard Debit Card Account will not be used to make or facilitate any transaction(s) that are or might be construed to be illegal pursuant to applicable law, rule or ordinance, including but not limited to gambling. Said use, including any such authorized use, will constitute an event of default under this Agreement. You agree that the Credit Union has no liability, responsibility or culpability whatsoever for any such use by you or any authorized user(s). You agree that you are responsible for repayment of any and all debts incurred for these transactions. You further agree to indemnify and hold the Credit Union harmless from any suits, liability, damages or adverse action of any kind that results directly or indirectly from such illegal use.

## OVERDRAFTS

You promise to pay the Credit Union immediately upon demand for any negative (overdraft) balance arising in your Account, unless you have available overdraft privileges. If you do not have overdraft privileges, the Credit Union may deduct the amount of any overdraft on your Account from any other account you have with the Credit Union, except an Individual Retirement Account.

## REFUSAL TO HONOR CARD

The Credit Union is not liable for the refusal or inability of any electronic terminal to honor the card or to complete a withdrawal from your account, or for their retention of the card. The Credit Union is also not responsible for the refusal of any merchant or financial institution to honor the card or for their retention of the card.

## MASTERCARD CROSS-BORDER TRANSACTIONS

Purchases and cash advances made in foreign currencies will be billed to you in U.S. dollars. If a Cross-Border Transaction on a U.S.-issued credit or debit card is submitted to Mastercard in the currency of the country of the merchant, Mastercard will convert the transaction to the cardholder billing currency using its currency conversion procedure. Mastercard uses either a government mandated exchange rate, or a wholesale exchange rate selected by Mastercard. The government-mandated exchange rate or wholesale exchange rate Mastercard uses for a particular transaction is the rate Mastercard selects for the applicable currency on the day the transaction is processed, which may differ from that applicable to the date the transaction occurred or when it is posted to your account. Added to your Cross-Border Transaction are a Mastercard Issuer Cross-border Assessment of nine-tenths of one percent (.9%) and Currency Conversion Assessment of two-tenths of one percent (.2%). ## PROVISIONAL ACH PAYMENTS

### REQUIREMENTS FOR ELECTRONIC IMAGES

Prior to creating an Electronic Image of a check, you must add the words "For Deposit Only," "GFCU," your Credit Union account number, and your signature endorsement to the back of the check, or as otherwise instructed by the Credit Union.

An "Electronic Image" must contain: (i) a complete, legible and accurate image of the front of the check showing the name of the drawer/payor, signature(s), the paying bank's pre-printed information, MICR encoded information, the name of the payee and the payment amount information; and (ii) a complete, legible and accurate image of the back of the check showing your signature endorsement.

The following check items are not accepted for deposit through the Mobile Deposit service:

- Items displaying a "non-negotiable" or "void" notation or watermark.
- Items containing an alteration on the front of the check, or which you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check is drawn.
- Items dated more than six (6) months prior to the date of deposit.
- Items previously converted to a substitute check or items that are remotely created checks as defined by Federal Reserve Board Regulation CC.
- Items issued by or through a financial institution in a foreign country.
- Items not payable in United States currency.
- Items with incomplete or illegible information.
- Items that are money orders, traveler's checks or savings bonds.

- Items made payable to a third party (i.e., any person or entity other than you).
- Items that are in violation of any federal or state law, rule, or regulation.
- Checks or items prohibited by the Credit Union's current procedures relating to the Mobile Deposit service or are otherwise not acceptable under the terms of your Credit Union account.

- Checks or items exceeding set maximum deposit limits.
- Items previously reported as unpaid.
- Items that are Demand Drafts, Insurance Drafts or other remotely created items.
- Items that are duplicate, irregular, have multiple payees or require double endorsement.

You agree to follow any and all other procedures and instructions for use of the Mobile Deposit service as the Credit Union may establish from time to time. Failure to do so may result in your transaction(s) not being processed and/or the removal of the Mobile Deposit services.

#### TRANSACTION LIMITATIONS

The maximum dollar amount you may deposit on any day is determined by your relationship with the Credit Union, which takes into consideration factors including, but not limited to, the number of accounts and services you have with the Credit Union and how long you have been a member. You will be notified of your daily deposit limitation upon logging into the Mobile Deposit service. We reserve the right to modify this limit from time to time.

#### PROCESSING ELECTRONIC IMAGES

We will review each Electronic Image received to determine whether it is eligible for processing. If eligible, we will: (a) present the Electronic Image directly or indirectly to the bank on which the original check is drawn or through which the original check is payable "Paying Bank"; (b) create a substitute check that we will present directly or indirectly to the Paying Bank; or (c) if we are the Paying Bank, present or post the Electronic Image. If we determine for any reason that the Electronic Image is illegible, incomplete, or otherwise ineligible for processing, we will require you to present the original item for deposit. It is your responsibility to retain the original item for a reasonable period of time to ensure that it is properly credited to your account. The Credit Union is not responsible for errors in Electronic Images that may prevent or delay the deposit of funds into your account. The Credit Union is not responsible for any image that we do not receive for any reason, including transmission interruptions.

All deposits are subject to later verification by us. We may return or refuse to accept all or any part of a deposit to your Account using the Mobile Deposit service at any time and will not be liable for doing so even if such action causes checks or other debits to your Account to be dishonored and returned. You are solely responsible for paying any overdraft or insufficient funds (NSF) fee charged by the Credit Union or any third party as a result of the Credit Union's rejection of any item(s), or for any item(s) returned unpaid.

#### CUT-OFF TIME AND CREDIT TO YOUR ACCOUNT

Items transmitted using the Mobile Deposit service are not subject to the funds availability requirements of Federal Reserve Board Regulation CC, and therefore longer hold delays may apply to these deposited items. Deposits received before 4:00 p.m. Pacific Time on a business day the Credit Union is open (a "business day" is any day except Saturdays, Sundays and holidays) will be credited to your account on the first (1st) business day after the day we receive your deposit. Deposits received after 4:00 p.m. Pacific Time on a business day the Credit Union is open will be credited on the second (2nd) business day after we receive your deposit. Funds that you deposit using the Mobile Deposit service may not be immediately available to you.

#### RECORD RETENTION

It is your responsibility to ensure the safekeeping or destruction of the original item after the item has been transmitted. You should securely store each original check(s) for a period of sixty (60) days after you receive confirmation that your deposit has been accepted, as the Credit Union may require you to surrender the original check(s) for verification purposes. Please note that you are solely responsible for the security and storage of the original checks and you are solely liable for any loss or misappropriation of these checks. Original checks that are no longer stored should be disposed of in a secure manner designed to ensure that they cannot be read or recreated.

#### SERVICE AND MAINTENANCE

We may periodically audit the Mobile Deposit services and infrastructure. From time to time, the Credit Union may disable the Mobile Deposit services without prior notice for scheduled maintenance and upgrades to the system. In the event the Mobile Deposit service is unavailable, you may deposit the original item in person at a Credit Union branch location during regular business hours, at a Credit Union ATM, or by mailing the item to us at 1800 W. Magnolia Blvd., Burbank, CA 91506.

#### HOW TO NOTIFY US IN CASE OF ERRORS

If you believe there has been an error with respect to any original check or Electronic Image transmitted to the Credit Union for deposit, call us at (818) 846-1710 or (800) 622-3328, or write to us at 1800 W. Magnolia Blvd., Burbank, CA 91506. You will be asked to produce the original item and may be asked to complete a written statement in support of your claim.

#### AMENDMENTS

The Credit Union may change the terms and conditions of this Agreement from time to time by sending written notice to you at your address as it appears on our records. If any change results in greater cost or liability to you

or decreases access to your accounts, you will be given at least thirty (30) days prior notice of the change to the extent required by applicable law. Prior notice may not be given where an immediate change in terms or conditions is necessary to maintain the integrity of the system and/or the security of the Remote Deposit Capture service or designated accounts.

#### MEMBER WARRANTIES AND INDEMNIFICATION

- Any files and images transmitted to the Credit Union will not contain any viruses or any other disabling features that may have an adverse impact on the Credit Union's network, data, or related system.
- You will not attempt to deposit or otherwise negotiate any original check that you have previously presented to us as an Electronic Image through the Mobile Deposit service. You will not attempt to present a duplicate Electronic Image.

You agree to indemnify, defend and hold the Credit Union, its directors, officers, employees, and agents harmless for any losses, liabilities, damages, claims, costs, or expenses (including reasonable fees) arising from its reliance on these representations and warranties, as well as any of the following:

- Any negligent or intentional act or omission by you in the performance of your obligations under this Agreement.
- Calculation or data entry errors made by you.
- Any material breach of this Agreement or violation of any applicable law, statute, or regulation in the performance of your obligations.
- Your failure to securely maintain your hardware, your security credentials, or to securely maintain or dispose of any original check.

This section shall survive the termination of the Mobile Deposit service.

## TAXPAYER IDENTIFICATION NUMBER (TIN) AND BACKUP WITHHOLDING INSTRUCTIONS

#### WHAT IS BACKUP WITHHOLDING?

Persons making certain payments to you must under certain conditions withhold and pay to the IRS a percentage of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

#### PAYMENTS YOU RECEIVE WILL BE SUBJECT TO BACKUP WITHHOLDING IF:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9 for more information.

#### WHAT IS FATCA REPORTING?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See Exemption from FATCA reporting below and the Instructions for the Requester of Form W-9 for more information.

#### UPDATING YOUR INFORMATION

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account,

for example, if the grantor of a grantor trust dies.

#### SPECIFIC INSTRUCTIONS FOR COMPLETING FORM W-9

##### NAME

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

**Sole proprietor.** Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name/disregarded entity name" line.

**Partnership, C Corporation, or S Corporation.** Enter the entity's name on the "Name" line and any business, trade, or "doing business as (DBA) name" on the "Business name/disregarded entity name" line.

**Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulation section 301.7701-2(c)(2)(iii). Enter the owner's name on the "Name" line. The name of the entity entered on the "Name" line should never be a disregarded entity. The name on the "Name" line must be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on the "Name" line. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on the "Business name/disregarded entity name" line. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

**Note.** Check the appropriate box for the U.S. federal tax classification of the person whose name is entered on the "Name" line (Individual/sole proprietor, Partnership, C Corporation, S Corporation, Trust/estate).

**Limited Liability Company (LLC).** If the person identified on the "Name" line is an LLC, check the "Limited liability company" box only and enter the appropriate code for the U.S. federal tax classification in the space provided. If you are an LLC that is treated as a partnership for U.S. federal tax purposes, enter "P" for partnership. If you are an LLC that has filed a Form 8832 or a Form 2553 to be taxed as a corporation, enter "C" for C corporation or "S" for S corporation, as appropriate. If you are an LLC that is disregarded as an entity separate from its owner under Regulation section 301.7701-3 (except for employment and excise tax), do not check the LLC box unless the owner of the LLC (required to be identified on the "Name" line) is another LLC that is not disregarded for U.S. federal tax purposes. If the LLC is disregarded as an entity separate from its owner, enter the appropriate tax classification of the owner identified on the "Name" line.

**Other entities.** Enter your business name as shown on required U.S. federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name/disregarded entity name" line.

##### EXEMPTIONS

If you are exempt from backup withholding and/or FATCA reporting, enter in the Exemptions box, any code(s) that may apply to you. See Exempt payee code and Exemption from FATCA reporting code on Form W-9.

**Exempt payee code.** Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends. Corporations are not exempt from backup withholding for payments made in settlement of payment card or third party network transactions.

**Note.** If you are exempt from backup withholding, you should still complete Form W-9 to avoid possible erroneous backup withholding.

**Exemption from FATCA reporting code.** The codes shown on Form W-9, Specific Instructions, Exemption from FATCA reporting code, identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting Form W-9 if you are uncertain if the financial institution is subject to these requirements.

##### PART I. TAXPAYER IDENTIFICATION NUMBER (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see How to get a TIN below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see Limited Liability Company (LLC) on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

**Note.** See the chart for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at [www.ssa.gov](http://www.ssa.gov). You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at [www.irs.gov/businesses](http://www.irs.gov/businesses) and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting [irs.gov](http://irs.gov) or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

## PART II. CERTIFICATION

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on the "Name" line must sign. Exempt payees, see Exempt payee code earlier.

1. Signature requirements. Complete the certification as indicated in items 1 through 5 below.
2. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.
3. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.
4. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.
5. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).
6. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Note. If no name is circled when more than one name is listed, the number will be considered to be that of the first name listed.

## PRIVACY ACT NOTICE

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

## SECURE YOUR TAX RECORDS FROM IDENTITY THEFT

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to [phishing@irs.gov](mailto:phishing@irs.gov). You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: [spam@uce.gov](mailto:spam@uce.gov) or contact them at [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or 1-877-IDTHEFT (1-877-438-4338).

Visit [IRS.gov](http://IRS.gov) to learn more about identity theft and how to reduce your risk.

#### PENALTIES

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.
